Owner/Applicant request ACC approval of the attached construction plans and specifications which also show location of improvement on lot(s) _____. Owner/Applicant agrees that construction will be according to such plans and specifications and the Subdivision Restrictions/By-Laws including those provisions requiring that only new or approved materials be used. It is understood that this application and any approval thereof is void if construction is not commenced within 30 days from the ACC approved date for covers/awnings, culverts, decks, fences, storage buildings, utility/laundry sheds or storm shelters/cellars and three (3) months for boat/recreational storage, gazebos, fireplaces or sun/screen rooms from date of commencement. If construction require longer for competition, then the owner is required to request an ACC Approved Extension.

Owner/Applicant agrees that deviation from the attached plans, including the materials specified therein or in separate list of materials will invalidate this approval.

Owner/Applicant will notify the ACC upon completion or extension of said construction using the attached form.

Owner/applicant must complete intent to inhabit agreement before approval for boat/recreational storage.
